

# A World CREATED for you

Germaine de Capuccini, knowing beauty experts are faced with a variety of aesthetic problems on a daily basis, has created and perfected a wide range of products enabling aestheticians to effectively treat all skin types.

## A world that offers you the highest quality

Germaine de Capuccini, a European line available in more than 60 countries, designs and manufactures its products using the most effective ingredients. Using leading-edge technology, it incorporates into its formulas the most innovative ingredients to guarantee your efforts will be successful.

## A world created for beauty professionals

More than 30 years devoted to researching and developing effective formulas and exclusive working methods, with extensive effectiveness testing to ensure quality and perfection.

## A world that provides you with the support you require

Germaine de Capuccini offers you, on a permanent basis, the promotional material, training and technical support you need to help you make the most of your skincare treatments.

Sophisticated, spectacular and effective.  
This describes the products,  
treatments and professional programs  
Germaine de Capuccini's world can offer you.

# Groundbreaking FACIAL Products

## UNIVERS OPTIONS

### Cleanse, tone and renew

The Univers Option line is designed to meet the basic needs of all skin types. It consists of versatile products which may be combined according to the professional's diagnosis to create perfectly customized skincare.

## HYDRASOIN

### Moisture with all the freshness of the ocean

- Moisturizes the skin and helps restore its water retention ability
- Lessens the signs of ageing typical of dehydrated skins
- Provides protection, freshness and softness

## PURETSKIN

### Balance for oily skins, purity for problem skins

- Effective active ingredients (Epicutin TT, Sopholiance and Triclosan)
- Progressively eliminates skin blemishes
- Regulates pH level and provides a matifying effect

## REVITASE

### Cosmetic lifting

- Tautens, firms and fits the skin to its natural shape
- Contains natural botanical ingredients with a tautening effect: plant proteins with a high molecular weight, soy cell walls and purified yeast extract

## TIMEXPERT

### The cosmetic alternative to micro-injections

- Reduces the length and depth of expression lines
- Smooths skin relief and rejuvenates the face
- Neutralizes micro-tensions in the skin and fills out expression lines
- Improves skin firmness and suppleness
- Prevents the appearance of new wrinkles

## VIVIANCE

### Retinol-based anti-wrinkle solution

- Formulated with pure vitamin A (retinol)
- Reduces wrinkles and fine lines
- Improves skin moisture, softness, radiance and firmness
- Highly effective for skins showing early signs of ageing

## SENSITIVE SKIN

### Gentle care for sensitive skins

- Ingredients with soothing, decongestive, anti-irritation properties
- Highly effective treatment for skins showing early signs of sensitivity or that react easily

## ROYAL JELLY

### Oxygenating stress relief

- Fights the effects of stress and fatigue thanks to its oxygenating, energizing, nourishing and firming properties
- The skin recovers a fresh, dynamic and radiant appearance

## EXCEL THERAPY RENACER

### Intelligent cellular cosmetics

- Contains MPC, a unique complex with biologically active cytokines
- Regenerating anti-age action
- Improves the skin's natural self-defence and self-regulation mechanisms

## STRATEGIST

The perfect strategy to counter the passing of time

- Products based on the Synchronized Natural Regeneration System, an innovative complex that reacts to meet the skin's specific daily and nightly needs
- Day: regenerates, conditions and protects the skin
- Night: regenerates, restores and renews the skin

## SEQUENCE

Sequential skin renewal

- Formulated with AHA and glycolic acid
- Exfoliates and increases cutaneous absorption
- Activates cellular renewal process
- Fades pigmentation spots

## WHITENCARE

For clear, less sensitive skin

- Formulated with white mulberry extract and ascorbyl PM, a powerful antioxidant
- Evens and brightens the complexion
- Blocks free radicals
- Stimulates collagen formation
- Prevents irritation and protects the skin from environmental agents

## VITAMIN C

Antioxidant radiance treatment

- Stimulates collagen synthesis
- Enhances cellular metabolism
- Restores the skin's radiance, vitality and firmness
- Antioxidant action and protection from environmental damage

## FOR MEN

Exclusively for men

- Helps tired skin recover its energy and vitality
- Eliminates toxins and strengthens the skin's defences against pollution, stress and free radicals
- Fights dryness, wrinkles and the signs of premature ageing
- Strengthens the natural barrier against dehydration

Take Advantage of the

# SUN'S ENERGY

## SOLAR LINE

Protection and moisture

- Complete line of solar products for all skin types
- Protection against UVA and UVB rays
- Formulated with multi-enzymatic marine extracts, for heat-activated regenerating antioxidant action
- Sun protection factor ranging from 2 to 50
- Effective and natural self-tanning solutions

# A Splash of COLOUR

## MAKE-UP

Germaine de Capuccini's extensive make-up line offers make-up artists all the products they need to create the most beautiful masterpieces, from timeless classics to the most daring designs.
